Hargrave & Huxley Parish Council

The next Parish Council meeting will be on Sunday 2nd November 5pm at Huxley Village Hall. Members of the public are welcome to attend. For more information on the Parish Council or to get access to the agenda prior to the meeting please visit our website at https://hargravehuxleypc.co.uk

Keep our Villages looking lovely

We are seeking volunteers to join our village working group on the 25th October. Our first task is to work on clearing the pavement along Huxley Lane. Also in Hargrave, please help us by keeping the Millennium Garden tidy too. Equipment will be provided. Meet at the Village Halls at 10am. Please get in touch to get involved: clerk@hargravehuxleypc.co.uk

Recent working group activities have included installation of a new noticeboard, and a coat of paint for the Bus shelter in Hargrave.

Speed Indicator Device

We have been collecting speed data from Huxley Lane, which is available for you to see on our website: https://hargravehuxleypc.co.uk
SID is working well. We have moved SID to the approved location on the approach to the school.

Litter Pick and Daffodil Planting 11th October 9am.

We have again teamed up with Happy Days for our twice a year village litter picking. This year we also have daffodil bulbs for planting. Equipment provided but please bring gardening gloves. Please offer your support - Join us for a bacon butty followed by village litter picking / planting in both Hargrave and Huxley, meet at the Village Halls.

Residents Survey

We had a good response to our survey. The results and our responses can be found on the Parish Council Website https://hargravehuxleypc.co.uk
We are pleased to see that we are already addressing many of the areas raised, such as speeding and litter. There were also some great ideas that we will be taking forward. Remember you can always come to our Parish Council meetings to have your say. And please do take part in our volunteering activities!

We're now on facebook.
