

PEAK CLUSTER

SECURING A SUSTAINABLE FUTURE

PEAK CLUSTER CONSULTATION TO LAUNCH ON 12 NOVEMBER 2026

Newsletter | October 2026

REGISTER FOR AN EVENT OR WEBINAR TO FIND OUT MORE ABOUT OUR UPDATED PLANS AND HOW TO HAVE YOUR SAY

Peak Cluster will soon seek feedback from communities and stakeholders on updates to the area within which it proposes to build permanent infrastructure (known as the project boundary), during our next consultation, which will run from 12 November to 18 December 2026.

As part of the consultation, we'll invite people to share their views on the revised route of the buried pipeline and the locations of above ground installations (AGIs), block valve stations (BVSs), and temporary areas required for access and construction in most locations. The feedback we receive will to help inform our ongoing work to develop the project.

We'll share more information about the plans and the consultation on 12 November, but would like to encourage those wishing to learn more about the project, ask questions or to find out how to share feedback to register to attend a consultation event or webinar:

EVENTS

Gawsworth Scout Hall, 20 November

Huxley Village Hall, 24 November

St Anne's Community Centre, Buxton 26 November

Hulme Hall, Port Sunlight, 3 December

Holmes Chapel Community Centre, 5 December

Leek Town Football Club, 7 December
